

**12TH  
SEPTEMBER**

**CONTINENTAL AUTOMOTIVE  
SINGAPORE 80 BOON KENG RD**

— INVITATION TO —

**CUSTOMER  
EXPERIENCE  
DAY 2024**

Continental Mobile Robots welcomes you to see how our Autonomous Mobile Robots (AMR) can make things easy for you and your industrial automation workflows. Join us at Continental's largest AMR R&D facility and Global Software Hub for this exclusive showcase designed for Industry 4.0 leaders and companies looking to enhance their logistics automation and efficiency. We look forward to sharing our latest products as well as discussing how our AMRs can be integrated into your workflow to best suit your needs.

— HIGHLIGHTS

**AMR SHOWCASE**

**01**

Get a close look at our latest intralogistics AMR and learn about our future products. See our robots in action in Singapore, and from one of our customer locations in Germany via livestream.

**MAKING THINGS EASY FOR YOU**

**02**

Understand how Continental Mobile Robots can be tailored for your use case, and how AMRs can transform your operations.

**NETWORKING SESSIONS**

**03**

Connect with industry peers over a networking lunch.

— RSVP

Space is limited, so please confirm your attendance by **August 31th, 2024**, by replying to this email. For more information, please contact Andrew J. Wong at [andrew.jen.wong@continental.com](mailto:andrew.jen.wong@continental.com). We look forward to seeing you there!

Sincerely,  
Continental Mobile Robots Singapore
